SURILI GOVINDSING REKNOD

Information Technology Student | Aspiring Software Engineer
Location: Chhatrapati Sambhajinagar, Maharashtra | Phone: +91 8262007814
Email: surelireknod@gmail.com | GitHub: github.com/SuriliReknod18
LinkedIn: linkedin.com/in/surili-reknod-5a689842a | CodeChef: codechef.com/users/surilireknod

PROFESSIONAL SUMMARY

Motivated second-year Information Technology student at R. C. Patel Institute of Technology, Shirpur. Possesses foundational knowledge of Java and C programming, with a strong interest in Data Structures and Algorithms (DSA), software development, and problem solving. Targeting SDE internship roles at top tech companies.

EDUCATION

Bachelor of Technology (B.Tech) - Information Technology
R. C. Patel Institute of Technology, Shirpur | Currently Pursuing: Second Year (2023 - 2027)
First-Year CGPA: 7.26 / 10.0

Higher Secondary Certificate (12th Standard)
Maharashtra State Board | Percentage: 84.67% (First Class with Distinction)

Secondary School Certificate (10th Standard)
Maharashtra State Board | Percentage: 90.20% (Top 10% Distinction)

TECHNICAL SKILLS

Programming Languages: Java (Core & OOP), C Programming
CS Fundamentals: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Problem Solving
Tools & Environment: Visual Studio Code, Git, GitHub
Areas of Interest: Software Engineering, Application Development, Relational Databases (DBMS)

ACADEMIC PROJECTS

Online Student Leave Application System (In Progress)
- Developing an academic platform to digitize the student leave application & faculty approval workflow.
- Eliminates physical paper slips with categorized reason drafting and real-time status tracking.
- Tech Stack: Java, HTML5, CSS3, JavaScript, DBMS / SQL concepts, OOP principles.

CERTIFICATIONS & ACHIEVEMENTS

- Java Programming Language Certification - CodeChef (Verified)
- C Programming Language Certification - CodeChef (Verified)
- Secondary School Certificate Merit: 90.20% Distinction

HOBBIES & INTERESTS

Coding and software development, exploring emerging technologies, culinary arts & cooking.
